

#### **14. How will Lincewood Primary School support my child's social and emotional development?**

We recognise that some children have extra emotional and social needs that need to be developed and nurtured. These needs can manifest themselves in a number of ways, including behavioural difficulties, anxiousness, and being uncommunicative.

All classes follow a structured PSHE (Personal, Social and Health Education) curriculum to support this development. However, for those children who find aspects of this difficult we offer:

- Lunchtime and playtime support through planned activities and groups.
- 1:1 support using schemes such as SMART Thinking
- A school counsellor for half a day each week

If your child still needs extra support, with your permission the SENCo will access further support from:

- CAMHS Single Gateway
- Specialist Teacher – SEMH
- Paediatrician
