Dear Parents,

During the course of the School year we have many events that you, quite rightly, want to photograph or record your children taking part in and we will take various photos of the children as a record and sometimes these will be used on the School website. If you do not want your child to be photographed by the School or included in other Parent's pictures then please notify us by filling in the slip below. If you do not want your child photographed then I may need to discuss with you your child's involvement in some events.

Could I finally point out, however, that if you post photographs of your child on a social network they must not include pictures of other children unless you specifically have the parent's permission.

Yours sincerely,

T. J. Eastwell
Headteacher

.....

I do not wish for my child in Class
to be photographed.
