

November 2017

Dear Parents,

As part of our continued push on Healthy eating can I please remind you that the children are not allowed sweets, crisps, chocolate products or cakes for their playtime snacks and should only be bringing in fruit, vegetables or a cereal bar.

Could I also remind you of our policy for children returning to school after a sickness bug. If your child is sick during the night or day they should not return to school for twenty four hours after the last time they were sick. We have had some recent cases of children being brought into school when they have been sick during the previous night and before school in the morning. This is unfair on other pupils and staff as the children will be contagious and will be spreading their illness and bugs to others.

Thank you for your anticipated cooperation in these matters.

Yours sincerely,

T. J. Eastwell
Headteacher
